

Magical weddings at Wokefield Park

Your perfect venue for a stunning *celebration*

Arriving up the sweeping driveway is the first of many unforgettable experiences. With its manicured lawns, gardens, picturesque lake and 250 acres of Royal Berkshire's finest parkland, The Mansion House, Wokefield Park has a special air of romance and a magical sense of seclusion.

For generations this has been the family home of nobles, dignitaries and society's movers and shakers. As you step inside it still has that homely feel. The perfect backdrop for your wedding, the 18th century Mansion House offers much more than breathtaking beauty and historic grandeur.

Here, it's the little details that make all the difference and our experienced team will help plan everything to perfection. Whether it's your wedding reception, your ceremony or both, we'll make sure your day is as individual, exciting and memorable as you have always dreamed.

Your big day

You no doubt have your own ideas about your special day, from the classic and traditional to the creative and quirky. Or if you are looking for inspiration, we can provide plenty of suggestions. We believe no two weddings should ever be the same.

Built in the early 1700s, The Mansion House was designed with space and flexibility in mind. Today, retaining its original character and charm, we have a variety of rooms to accommodate intimate gatherings and large celebrations for up to 350 people. For the longer guest list, the Lake Lawns have ample space for a marquee. Whatever you choose, it can be dressed to suit the style and theme of your day.

Outside, the stunning grounds make a beautiful setting for your photographs. While you capture the moment, we'll host your drinks reception on the terrace and keep the conversation flowing with tall Pimms, Bucks Fizz & Champagne as your guests enjoy a string quartet – or a steel band.

Sensational food for a sparkling occasion

Dining at The Mansion House is all about exceptional produce, farm-fresh ingredients and flexible options. For your Wedding Breakfast, enjoy Gressingham Duck with creamed leeks and potato fondant, or tuck into herby butchers sausages with silky potato mash. Finish with exquisite raspberry soufflé or spectacular Eton mess – it's entirely up to you.

Our head chef is looking forward to meeting with you to talk through your ideas and explain the best seasonal produce. No meal would be complete without excellent wines and Champagne and we offer some of the finest vintages from French chateaux, as well as some lesser-known gems from around the world.

Then, as night falls, we can help boost the energy levels with a wide selection of fine cheeses or, for something out of the ordinary, hearty hot dogs.

Your first night as *Mr & Mrs*

The memories needn't end with the last dance. As the party winds down, retire to your luxurious wedding suite and relax in style. In the morning, wake up to a sparkling Champagne breakfast with seasonal fruits and freshly baked pastries. Where better to start your married life together?

Not only will we make sure your stay with us is perfect, but you'll be able to relax knowing the most important people in your life are snoozing in comfortable beds covered with gorgeous soft linens. We have over 300 en-suite bedrooms for your family and friends.

While each one is unique with a choice of size and view, you'll find flat screen TVs, power showers and the latest mod cons in every room. But after a day of excitement, most guests head straight for the large inviting beds.

Arrive early *and let us do all* the hard work

Wokefield Park is the perfect place to get away from it all, relax and recharge.

Arrive early and calm any last minute wedding nerves with a relaxing swim in our spacious pool or why not take a leisurely stroll in our grounds. In the evening, you could get together with friends and family in your own private dining room or simply put your feet up in the lounge.

As the build-up begins, our team will make sure you and your guests feel extra-special. Then on the day itself, we'll be there whenever we're needed. Nothing is more important to us than your big day.

Why not stay a little *longer*

Your wedding is the perfect excuse for a little adventure and excitement – and at Wokefield Park we have both in abundance.

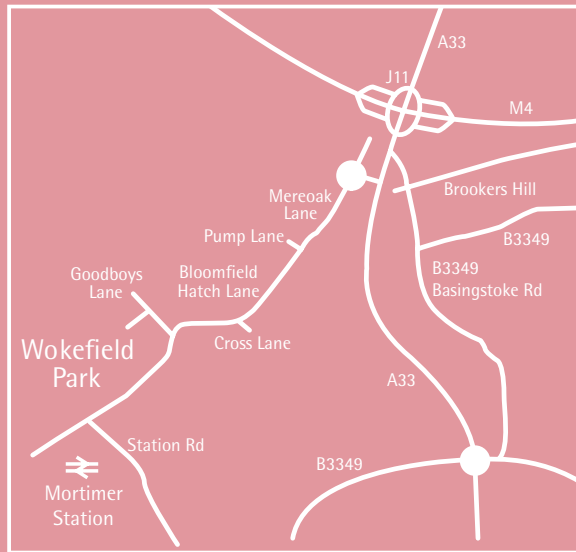

Why not make a few days of your stay and take to the fairways on our awe-inspiring 7,000-yard PGA Championship standard golf course, with nine tricky lakes. Just watch out for the sand traps. Then, play the 19th hole in the bar.

If you are looking for something a little different, why not try your hand at something adventurous, from high rope courses to climbing walls, segway tours to woodland laser combat, make the most of your stay and take advantage of a range of exciting outdoor activities.

The perfect end to the perfect *beginning*

If you're travelling to The Mansion House you can come by a carriage drawn by a team of horses, by a classic wedding car, by train or even by helicopter.
