## THE GLOBE AT HAY

---

The globe at hay is a beautiful converted Methodist chapel that dates back to 1752, in the renowned book town of Hay-On-Wye. With capacity of up to 300 people, the globe at hay is fully licensed to host weddings, civil ceremonies and receptions. The venue has been styled to create the perfect ambience for a unique and memorable occasion, offering a

range of spaces: the Main Hall with a bar and dance floor, vibrant Upper Gallery, cosy Lower Gallery, expansive surrounding gardens and nearby cottage to accommodate wedding guests. The globe at hay provides the perfect canvas for you to create the wedding of your dreams, and our dedicated team is on hand to ensure that your day is everything you desire.

# YOU ARE OUR PRIORITY

---

You will have full use of the Main Hall that is adorned with contemporary art and boutique furniture – the perfect backdrop for unique wedding photos. The Main Hall, Upper Gallery and Lower Gallery are brimming with character and beautiful features, such as exposed wooden flooring, high ceilings and large windows. The Main Hall boasts intimate mood lighting, space for a DJ in the original pulpit, has a stage for a live band and a dance floor

to see out your wedding day in style! There are several large wall projectors and blackboards that can be personalised to give your occasion that extra special touch and outside, the building is adorned with festoon lights, perfect for a moment under the stars. How you want the venue dressed for your wedding is up to you, and our Wedding Co-ordinator is always on hand to help design your perfect day.

A real hidden gem in the heart of the town, the garden allows the romance and originality of your wedding to continue outdoors. With a selection of seating and ambient lighting it is the perfect spot to relax with your family and friends. Whether you envisage this

secluded location as a place to enjoy a Summer BBQ or al fresco dinner, an Autumn hog-roast or Winter feast - the garden is a perfect retreat all year round.

## TESTIMONIALS

---

"On April 9th we had our wedding reception at the globe. It was everything we wanted it to be. The staff were incredible and worked their socks off. The food was out of this world. Best food I have ever had at a wedding. We wanted something different, something unlike the usual corporate affair. And the globe delivered exactly what we wanted. It looked beautiful and nothing was too much trouble. We hired their holiday cottage

just behind the globe and it was perfect for getting ready in close by. The globe will always be a very special place to us. If you want a wedding that is a little quirky and different then the globe is the place to have it. Thank you so so much."

- Liane and Gerwyn , April 2016

"My brother had his wedding reception here and it was brilliant, two floors to split up activities and beautiful outside seating that was decorated with bunting and fairy lights that looked idyllic, was a great space and the food we had here was lovely too, staff were very

friendly and all really helped to create a wonderful evening, have also been here in the day for coffees and catchups, again it's a great space and well worth visiting."
